Neutralizer

Benefits:

- The acid peel Neutralizer is a Water - based spray used to stop the chemical action of the peeling.
- It must always be applied at the end of the exfoliating treatments with chemical peelings. Stops the peeling process.
- For an effective neutralization of the skin.

AHA Pre-peel Cleanser

Benefits:

- Don't exfoliate. Since a chemical peel is an in-depth exfoliation. It's important that don't exfoliate for an least 1 week before Your Appointment.
- Refrain from using make - up
- Avoid the sun
- Stay hydrated
